Your Honor,

I HAVE repeatedly asked that my time be re-calculated so I CAN apply under the CARES Act to go home to be able to get to the Dominican Republic to start my rehabilitation plans. My family HAVE ARRANGED for my departure Around the same time you gave me the 5 months. Due to the dysfunction and incompetence of the BOP Management and the CONTINUAL NATIONAL Lockdown I have been completely UNABLE to communicate with my ATTORNEY, family or the rehab facility. I feel prison is suppose to be punishment, not Abuse and torture. February 21st will be the completion date of my 5 month sentence And this is without ANY good time I Am entitled to under the CARES Act. THANKS in Advance for your help And support in seeing that the BOP does what it should do.

Respectfully,

MARCO DELA CRUZ #77604-054
